

VAAL Web Gallery Application

The Web Gallery is one of the features of VAAL's (Visual Arts Assoc. of Livonia) website. Each "exhibitor" will have their own page which will include artwork submitted by them along with the artist's contact information for anyone wishing to inquire about their artwork and a brief bio or artist statement, if desired.

- The Web Gallery is open to all paid (current year) members of VAAL for an annual website fee of \$10.
- You may submit up to 10 digital photos (in jpeg format) of your artwork. Largest dimension (height or width) of each image should be at least 500 pixels.
- You may also submit a link to your own website, if you have one.

To apply, please fill out the form below and mail with a \$10 check (payable to VAAL) to:
Diana Jamrog
15722 Woodside St.
Livonia, MI 48154

Digital photos of your artwork (jpeg format) can be sent by email (as attachments) to dianajam@att.net or sent on a CD to the above address. Email is the easiest.

Please include your name and phone number on the email or with the CD.

If you wish your artwork titled on the website, please use the artwork's title as the file name of your digital photo. (If you have any questions, please call me 734-464-8817.)
